## Membership Form

If you are interested in bicycling, the Out-Spokin' Wheelmen club has a lot to offer. The OSW calendar contains a variety of rides and events to interest both the new rider and the avid cyclist.

The club sponsors two major invitational rides each year. "SICCO" is our spring ride and NEOC, our legacy fall classic, draw participants from all over Northeast Ohio and Western Pennsylvania.

The Out-Spokin' Wheelmen was founded in 1973 by a small group of bicyclists for the purpose of promoting cycling in the Mahoning Valley. The Safety Committee keeps members apprised of the latest trends involving bicycling on public roads.

The OSW supports bike safety at all levels of skill and experience.

OSW membership is open to anyone with an interest in cycling. Refer to the website for meeting locations and dates. A dinner/social hour begins at 6:00 p.m., followed by the business meeting at 7:00. Food and drink purchase are optional.

As a member, you will receive a monthly issue of our newsletter, the Fresh Air, which is sent via e-mail, and includes club news and articles. Check our website for the ride schedule. Each ride has a leader who will make sure you are not left behind. Helmets are recommended for all rides.

Additional information about the club is available on our website [www.outspokinwheelmen.com](http://www.outspokinwheelmen.com) or contact us at [info@outspokinwheelmen.com](mailto:info@outspokinwheelmen.com)
